- Back to top button needs fixed
- Line length is a tad too long
- Sections on life and career need to be spaced out a bit more
- Changes in type scale based on importance of information
- Head of other pages need fixed
- Fashion page needs fixed
- Culture page: maybe add a cite to the quotes/lables in the beginning like the ones on the back of a book
- Cut out stars in the background could add some more interest
- Thinner view cuts off the section labels at the top
- Design to sidebar
