Richard Scarry

- Design 1
    - More illustrative and colorful
    - Lots of png illustrations
    - Imitate type setting of books
    - Loose grid
    - Visually heavy
- Design 2
    - More formal
        - Illustration in a box
    - Modern-ish but having fun
    - More reserved but still fun
        - Maybe bring it out with type
